

I WANT TO WRITE A BOOK

now what ?!

fiction

Have you plotted your story?

Yes

It's time to **START WRITING!**

Suffering from blank-page-syndrome? It's okay to start writing anywhere... you don't have to begin at the start

No

Create a basic plot plan

include at least:

- character list
- where story starts
- what is twist/climax
- where do they end up

If plotting feels good, you can create a more robust plan (i.e. three acts and several scenes in each)

Still struggling?
